

## Northowram Pumas - Social Media Guidelines

- Do not post anything that is discriminatory, offensive, bullying or could bring the club into disrepute
- The offering for sale or transfer of race numbers is strictly forbidden on our social media pages
- Advertising of businesses is not allowed unless with the prior consent of the Committee. We email members on a monthly basis with member only offers and will happily add your business details to this list. Please email [simon@northowrampumas.co.uk](mailto:simon@northowrampumas.co.uk) for this.
- The organising of your own runs is actively encouraged but not on official club nights which are Monday and Wednesday. We would also ask you to respect other ad-hoc days when the club organises runs with a Run Leader - please think before posting on these days.
- Please keep posts relevant to activities relevant to the purpose of the club, i.e. running, health and fitness.
- If you have a genuine question, concern or comment please approach a member of the Committee directly or email [info@northowrampumas.co.uk](mailto:info@northowrampumas.co.uk). We actively invite feedback but this is more difficult to manage if posted on social media first.

Posts are regularly reviewed by the Committee and anything not meeting the above criteria will be deleted. We will message you to inform the reason for deletion.
